

## **VHSL Officials Code of Ethics**

Officials at an interscholastic athletic event are participants in the educational development of high school students. As such, they must exercise a high level of self-discipline, independence, and responsibility. The purpose of this Code is to establish guidelines for ethical standards of conduct for all interscholastic officials.

- Officials shall master both the rules of the game and the mechanics necessary to enforce the rules and shall exercise authority in an impartial, firm, and controlled manner.
- Officials shall work with each other and their state association in a constructive and cooperative manner.
- Officials shall uphold the honor and dignity of the profession in all interaction with student-athletes, coaches, athletic directors, school administrators, colleagues, and the public.
- Officials shall prepare themselves both physically and mentally, shall dress neatly and appropriately, and shall comport themselves in a manner consistent with the high standards of the profession.
- Officials shall be punctual and professional in the fulfillment of all contractual obligations.
- Officials shall remain mindful that their conduct influences the respect that the student-athletes, coaches, and the public hold for the profession.
- Officials shall while enforcing the rules of play, remain aware of the inherent risk of injury that competition poses to student-athletes. Where appropriate, they shall inform event management of conditions or situations that appear unreasonably hazardous.
- Officials shall take reasonable steps to educate themselves in the recognition of emergency conditions that might arise during the course of competition.
